

Website Usage Tips

- Use your 2007 *St. Andrew Guide Book Directory* as a navigational guide for this website.
- You may be required to have [Adobe Reader®](#) downloaded on your computer in order to view some of the website pages.
- When reading a file in Adobe Reader®, is the print too small? The viewing size of the file can be enlarged by clicking on the "+" in the tool bar at the top of the Adobe Reader® page.
- Password protected pages are scattered throughout the site. You will be prompted once if a password is needed.
- If the navigational menu links look poorly formatted, download the newest version of the website browser. [Internet Explorer®](#) [Mozilla Firefox®](#)
- Click on "Welcome" to return to the main website after entering a password protected webpage for the first time.
- Misplaced your password? Email the [Website Administrator](#) to request your family's personal password.
- Scroll to the bottom of a page for printer friendly versions of that page's text.
