

### **Bishop Robert Barron's Reason, Faith and Science**

*Online presentations begin Monday, Sept. 10*

*Group discussions begin Monday, Oct. 1*

*7:30 p.m.*

*Multipurpose Room*

This online study includes 27 presentations that are available at [www.ReasonFaithScience.com](http://www.ReasonFaithScience.com). We ask participants to view the first three presentations, one per week: "Stephen Hawking and Atheism," "The Myth of the War Between Science and Religion," and "The Buffered Self." Then, for those of you who are interested, we will meet to discuss. Consider these general reflection questions:

- What in the presentation or supplemental material affirmed your understanding of the topic?
- What challenged you?
- What new insights might you have gained?

There are many resources accessible through the website. Feel free to explore. Recommended for this session: "It's Time to Set the Record Straight."

### **EPIC: A Journey through Church History**

*Begins Tuesday, September 11*

*7 to 8:30 p.m.*

*Nugent Parish Hall*

This Bible Study from Ascension Press covers the major people, places and events in Church History. For example, the study explains why the early Christian Church was considered the true Catholic Church and offers a more detailed explanation of the teachings and dogmas of the Catholic faith. The study also outlines the many of the challenges facing the Church today and how these are similar to those that confronted by the Church Fathers. Additionally, you will learn how the heroic stories of the saints can challenge and affirm your own walk of faith.

Participants should purchase study guides directly from

[AscensionPress.com](http://AscensionPress.com). You can create an account to facilitate your registration for the study at St. Andrew and to access online presentations. If you choose not to create an account, please give your email address to Facilitator Pattie Prior and then you will receive a link to register for the study. After you register, you will receive an access code for the online presentations.

Do you remember what you learned about Catholicism during grade school catechism to fully follow Jesus Christ? Do you realize that our faith journey is a lifelong process and will not end until we meet God face to face? Are you unsure about what the Church teaches? Join us for Catholicism 101. At our first meeting, we will choose from 20 possible topics including Bible Basics, Creed, Trinity, Church History, Mary, proofs for the existence of God and more. Because we offer these sessions while middle school PSR students are in class, it's a convenient opportunity to learn more while your child is in PSR. Contact Stacy Pennino, [stacyppennino@gmail.com](mailto:stacyppennino@gmail.com) or (614) 850-9715, and let us know you are coming.

**You are NOT obligated to attend every session to participate in these faith development opportunities.**
