All are welcome to learn more about this apologetic approach to sharing the Catholic Faith using the Old Testament Tabernacle as a blueprint for God's plan. Part One focuses on the elements found in the outer sanctuary of the Tabernacle and how they connect to the liturgical calendar, the priesthood, purgatory, baptism and more. Part Two focuses on the elements found in the inner sanctuary of the Tabernacle and how they connect to the Magisterium, the Eucharist, Incense, Mary, and more. Workbooks and books are available (but not required) through AscensionPress.com, however, online access to the video presentations outside of class is only available if you order the materials. For more information, contact DRE Suzie Emsweller, semswell@cdeducation.org or (614) 451-2855.
