

And when he had said this, he cried out in a loud voice, "Lazarus, come out!" The dead man came out, tied hand and foot with burial bands, and his face was wrapped in a cloth. So Jesus said to them, "Untie him and let him go." ~John 11: 43-44

MESSAGE FROM THE PASTOR

Dear Parishioners,

Last week, on Friday, March 13, we all experienced a day of very strong winds, with gusts of 50, 60, or even 70 miles per hour. These winds caused damage, including fallen limbs and branches, and the toppling of whole trees. Many in the area experienced roof damage, downed power lines, and power outages, which we experienced at St. Andrew and necessitated canceling of the Fish Fry. There were also reports of traffic accidents, including semi-trucks being blown off the road by the wind.

As frightening as this was, I also found myself marvelling at the power of the wind. I spent most of Friday at my home in Ada, and throughout the afternoon, I listened to the roar of the wind. I could see the branches of the trees swaying back and forth, and bending low, but it was the sound of the wind that made the greatest impression on me. I was reminded of the passage in the Acts of the Apostles that describes the descent of the Holy Spirit on the apostles at Pentecost: "And suddenly there came from the sky a noise like a strong driving wind, and it filled the entire house where they were." (Acts 2:2)

Jesus Himself compared the movement of the Holy Spirit to the wind: "the wind blows when it wills, and you hear the sound it makes, but you do not know where it comes from or where it goes; so it is with everyone who is born of the Spirit." (John 3:8)

The Holy Spirit is a powerful force that is capable of accomplishing great things in us. When the Holy Spirit comes to us, it is not to destroy or wreck or interrupt our power supply; rather, the Holy Spirit inspires, empowers, and accomplishes great and mighty works in us.

Next time you hear the roar of the wind blowing, remember to pray: "Come, Holy Spirit!"

Your Pastor,

Monsignor Stephan Moloney

PRAYERS & GREETINGS

Each week, homebound ministers visit and distribute Holy Communion to more than 100 faithful individuals in nursing facilities or nearby homes. While the primary purpose of the visits is sacramental, ministers also provide homebound parishioners with a sense of community as well as assurance that they remain an important part of St. Andrew Parish.

PRAYERS AND GREETING CARDS: As we get closer to Holy Week and Easter, we ask that you and your family lift in prayer the needs of the homebound who suffer with illness and infirmity, that they find relief from pain, meaning in struggles, and healing in mind and spirit. If you are able, please consider providing an Easter card with your thoughts of prayer, healing, and hope. We will have a marked collection box in the vestibule where you can drop off the card (or cards), and ministry members will deliver the cards to those they serve. For more information, contact **Homebound Volunteer Coordinator Anna Wang** at anna_m_wang@yahoo.com.

NEW GIVING PLATFORM: PUSHPAY

The transfer to Pushpay continues. Thank you to all who have made the transition. We plan to migrate all giving by March 30, 2026. After that time, OSV Online Giving will no longer be available to parishioners.

- If you give using OSV Online Giving, please move your gift to Pushpay as soon as possible. On Tuesday, those who still make recurring gifts through OSV will receive an email directly from Pushpay. Watch your email for this message.
- If you give through a financial advisor as a qualified charitable distribution, you do not need to make any changes. The process for these contributions remains the same.
- If you use envelopes and would like to start giving online, this is a great opportunity to take the plunge. All giving links on the website, in ePOST, and in the bulletin now redirect you to Pushpay. It's quick, convenient, and most importantly, very secure!

We are grateful for your support and generosity to the parish. If you need help or have additional questions, please contact any of the following parish office staff members at 614-451-4290:

CATHOLIC DIOCESE
of COLUMBUS
OFFICE of the BISHOP

Dear Reverend Fathers and School Administrators,

On March 21 - 22, the Diocese of Columbus will again participate in Safe Haven Sunday to directly address the societal and familial harms of pornography. The initiative aims to equip individuals, marriages, and families with resources and guidance to make their homes safe havens for all members of the household. Previously, we have addressed the issue of pornography and human trafficking.

Pornography, one of the leading causes of addiction, adultery, divorce, and human trafficking, creates an unsafe environment for children, producing distorted attitudes towards the body and human sexuality, with devastating effects for families and society and is closely related to the human trafficking industry. It treats individuals, not as persons to be loved and cherished, but as objects to be used for pleasure and gratification.

Each person is worthy of love and called to communion with God and neighbor. Despite our great technological connectivity, we are experiencing a pandemic of loneliness. Although desiring deeply human and personal relationships, many people, in frustration, are looking elsewhere for interaction, which is not always truly human. What do I mean? The rise of Artificial Intelligence, with all its potential benefits, to better society, carries with it ethical and moral problems, which must be addressed. This Safe Haven Sunday, it is important to examine how AI is compounding the existing problems of digital pornography, especially for young people.

In its note *Antiqua et Nova* (63) on Artificial Intelligence, the Church said: "In an increasingly isolated world, some people have turned to AI in search of deep human relationships, simple companionship, or even emotional bonds. However, while human beings are meant to experience authentic relationships, AI can only simulate them. ... if we replace relationships with God and with others with interactions with technology, we risk replacing authentic relationality with a lifeless image (cf. Ps. 106:20; Rom. 1:22-23)."

In the desire for friendship and intimacy, some people, failing to develop adequate friendships, are replacing human relationships with artificial ones, sometimes turning to chat boxes are programmed to manipulate them into engaging in explicit conversations. Programmers have used AI to generate deep fakes or realistic but false photos and videos for pornographic purposes. Young people may even think, "Well, this isn't real. What is the harm?"; they can be unaware of how such stimuli can become addictive, reducing their ability to empathize with others, numbing the conscience, and preventing them from authentic human interaction.

Together, we can address this issue by teaching those who have been entrusted to our care about pornography's effects and the proper usage of AI. This year Safe Haven Sunday will allow us the opportunity to address this emerging threat in a meaningful way. I ask for your assistance in creating awareness and sharing these resources. I will provide a recorded message that I encourage you to share throughout your parish and school websites, emails, and social media channels. I also encourage you to include in your weekend homilies and pastoral communication information about how to keep families safe from the dangers of pornography and how to have positive, healthy relationships.

Covenant Eyes provides resources to address the concerns of protecting children from pornography. You can find all of the resources available to our diocese by visiting columbuscatholic.org/safe-haven.

Grateful for your ministry and assuring you of my blessing, I am

Sincerely yours in Christ,

The Most Reverend Earl K. Fernandes
